I Am The Truth Of Prophecy

“I Am truth. I Am your LORD. I Am the truth of prophecy. What I say comes true because I Am the truth. Obey Me. The truth of prophecy is Me because I make it come true. No word I say will come undone for all will be fulfilled. I Am the truth of prophecy because I Am the Spirit of prophecy. No word said by Me will come undone because I fulfill all. My Word is truth because I Am the Word and the truth is Me. No word is a lie because I Am the truth of prophecy, My son. Obey Me, because what I say is true, My son. No word is a lie because I cannot lie, but am always truth. All words will come true because I Am the truth of prophecy. Your LORD has spoken. Amen and amen.”
